

Grow your people. Grow your company.

Your people are your greatest asset. Utilizing the power of Gallup's CliftonStrengths, this highly interactive **Strengths Pathway** leads your people through a series of programs to integrate a culture of collaboration, growth, and productivity into your organization.

1 Unlocking Strengths

Experience how a Strengths-based approach leads to more self-aware, engaged, and effective leaders at every level.

2 Maximizing Influence

Harness the distinctive perspective of your Strengths towards more effective communication and increased impact in the world.

3 Powerful Teams

Build trust and inspire collaboration with Strengths to create effective partnerships and teams.

4 Supervising with Strengths

Gain practical experience utilizing the Strengths of your people to maximize your team.

Now that you got the flow, find the full program details on page two.

Strengths Program Details
